

DELHI SKILL AND ENTREPRENEURSHIP UNIVERSITY, DWARKA CAMPUS

Stock Simulation Competition

14th and 15th September, 2023

About the event

Event Dates: September 14th and 15th, 2023

Event Timings: 9:30 AM to 3:30 PM

Executive Summary:

This report summarizes the "Stock Simulation Competition," a collaborative event organized by E-Cell DSEU Dwarka in partnership with Stockgro. The competition, held on September 14th and 15th, 2023, aimed to provide participants with a valuable learning experience in virtual stock trading. This report will detail the event's objectives, key activities, outcomes, and winners.

Event Objectives:

The Stock Simulation Competition had the following key objectives:

1. To offer DSEU students a platform to test their stock trading skills and gain practical experience in virtual stock trading.
2. To promote financial literacy and awareness among students by exposing them to the intricacies of the stock market.
3. To incentivize participation through attractive rewards, including cash prizes and StockGro bonuses.

Event Details:

The event took place on September 14th and 15th, 2023, with each day's activities scheduled from 9:30 AM to 3:30 PM. Participants accessed the competition through the Stockgro App, and registration was open through the provided link: <https://community.stockgro.club/register/bc28cf0b-75fa-4120-a540-57617f5ce600>.

Event Activities:

The competition involved virtual stock trading, where participants could test their trading skills without risking real money. The event provided a safe and educational environment for students to gain practical insights into the stock market.

Winners:

The following students emerged as the winners of the Stock Simulation Competition:

1. 1st Position: Rishabh

- Prize Money: Rs. 597/-

2. 2nd Position: Priyanshu Shekhar

- Prize Money: Rs. 496/-

3. 3rd Position: Robin Gautam

- Prize Money: Rs. 403/-

Conclusion:

The Stock Simulation Competition organized by E-Cell DSEU Dwarka in collaboration with Stockgro was a resounding success. It provided DSEU students with a unique opportunity to enhance their stock trading skills and financial knowledge. The event achieved its objectives of promoting financial literacy and rewarding participants for their efforts.

Appreciation is extended to all participants, event coordinators, and Stockgro for making this competition possible. The organizers look forward to organizing more such educational and rewarding events in the future.
